PART I – SUBJECTS	3–16
PART II – CONTRIBUTORS	16–24
PART III – BOOK REVIEWS	24–27
SUPPLEMENTS 1–3, VOLUME 152	28–31
ACKNOWLEDGEMENT TO ASSESSORS	32

Abbreviations: BR Brief Report; C Correspondence; other abbreviations given in text of index.

PART I. SUBJECTS

A hundred years ago.

Medical witnesses in lunacy trials (L. Forbes Winslow).
Henry Rollin 419

Medical witnesses (Mr Justice Field). Henry Rollin 715
Mental automatism. Henry Rollin 270

Qualifications of asylum superintendents. Henry Rollin
577–578

The neuropathic diathesis or the diathesis of the degener-
ate (G. T. Revington). Henry Rollin 854

The opium habit. Henry Rollin 131

Accidental injuries. The long-term psychiatric consequences
of accidental injury: a longitudinal study of 107 adults.
Ulrik Malt 810–818

Adolescence.

Childhood and adolescent depression. II: Research in
clinical populations. Adrian Angold (*Review
article*) 476–492

Depression in adolescents and young adults. Hans R.
Huessy (C) 125–126

'Early-onset schizophrenia' after teenage head injury:
a case report with magnetic resonance imaging.
Eadbhard O'Callaghan *et al* (BR) 394–396

Fear of AIDS: the impact of public anxiety in young
people. C. Lewin and R. J. W. Williams (BR) 823–824.

Affective disorders.

see also Anxiety, Depression, Emotional disturbances,
Euphoria, Hypomania, Mania, Manic-depressive dis-
order and Melancholia

Complications. The expression of schizophrenia, affective
disorder and vulnerability to tardive dyskinesia in an
extensive pedigree. John L. Waddington and Hanafy
A. Youssef 376–381

Follow-up. A matched-control follow-up and family
study of puerperal psychoses. C. Platz and R. E.
Kendell 90–94

Genetics. Major genes for major affective disorders?
Peter McGuffin (*Annotation*) 591–596

Pathology. Neuroanatomical studies of major affective
disorders: a review and suggestions for further re-
search. Dilip V. Jeste *et al* (*Review article*) 444–459

Therapy.

Lithium carbonate – a competitive aldosterone antag-
onist? Paul M. Stewart *et al* 205–207

Psychosurgery for bipolar affective disorder. Per-
minder Sachdev *et al* (C) 576

Age.

Disorientation.

Age disorientation in chronic schizophrenia. Paul E.
Yarden and Charles S. Raps (C) 406

Dementia praecox revisited: age disorientation,
mental status and ventricular enlargement. Terry E.
Goldberg *et al.* 187–190

Maternal. Schizophrenia, season of birth and maternal
age. Per Dalén (*Review article*) 727–733

Aggression.

see also Maltreatment and Violence

Aggressive behaviour: evaluation of a non-seclusion
policy of a district psychiatric service. D. G. Kingdon
and E. W. Bakewell 631–634

Temporal lobe epilepsy. George Garryfallos *et al*
(C) 852–853

The aetiology of aggression in temporal-lobe epilepsy. J.
L. Herzberg and P. B. C. Fenwick 50–55

Agoraphobia. Drugs and psychological treatments for
agoraphobia/panic and obsessive-compulsive disorders:
a review. Isaac Marks and Geraldine O'Sullivan 650–
658.

AIDS (acquired immune deficiency syndrome).

see also HIV

Delusional AIDS and depression. Carlo A. Altamura *et al*
(C) 267–269

Fear of AIDS: the impact of public anxiety in young
people. C. Lewin and R. J. W. Williams (BR) 823–
824

Fear of AIDS: Sikandar H. Kamlana and Peter Gray
(C) 129

- Aldosterone.** Lithium carbonate—a competitive aldosterone antagonist? Paul M. Stewart *et al* 205–207
- Amygdala.** Capgras syndrome and the amygdala. Andrew W. Procter (C) 566–567
- Anniversary.**
In the beginning. Henry R. Rollin (*25th Anniversary*) 431–433
Twenty-five years of the *British Journal of Psychiatry*. J. L. Crammer (*25th Anniversary*) 434–436
- Annotations.**
Fatigue and fatigability. H. G. Kennedy 1–5
Major genes for major affective disorders? Peter McGuffin 591–596
Psychosocial sequelae of head injury—anatomy of a relationship. R. J. McClelland (*Roche lecture, 1986*) 141–146
- Anorexia nervosa.**
Anorexia nervosa. Alexander Kiss *et al* (C) 847.
Charles J. F. Kemperman (C) 847. Noel McClune and Geraldine Walford (C) 847–848
Anorexia nervosa following torture in a young African woman. Thomas A. Fahy *et al* (BR) 385–387
Anorexia nervosa and infantile autism. D. J. Rothery and G. M. F. Garden (C) 714
Anorexia nervosa in a woman totally blind since birth. S. W. Touyz *et al* (BR) 248–250
Melatonin secretion and anorexia nervosa—a serious type II error. C. Evans (C) 121. Jennifer Bearn and Stuart Checkley (C) 122
Photography for anorexia nervosa. Alan Byrne (C) 848
Physical complications in anorexia nervosa: haematological and neuromuscular changes in 12 patients. E. Shur *et al* 72–75. *Corrigendum* 854
- Antidepressants.**
Drugs and psychological treatments for agoraphobia/panic and obsessive-compulsive disorders: a review. Isaac Marks and Geraldine O'Sullivan 650–658
Mania induced by lithium augmentation: a case report. R. Yuvarajan and N. M. Yousufzai (BR) 828–830
- Antipsychotics.** Prevalence of obesity in patients receiving depot antipsychotics. T. Silverstone *et al* 214–217
- Anxiety.** Stuttering and anxiety. J. W. T. Lovett (C) 844
- Apomorphine.** Blunted response of growth hormone to clonidine and apomorphine in endogenous depression. M. Anseau *et al* 65–71
- Arrest patterns.** Arrest patterns among mentally disordered offenders. Graham Robertson 313–316
- Ashkenazic Jews.** Post-partum psychosis in adult GM₂ gangliosidosis: a case history. P. Lichtenberg *et al* (BR) 387–389
- Asperger's syndrome.** Lifelong eccentricity and social isolation: II. Asperger's syndrome or schizoid personality disorder? Digby Tantam 783–791
- Asthma.** Demonstration and treatment of hyperventilation causing asthma. George Hibbert and David Pilsbury (BR) 687–688
- Asylum Journal.** In the beginning. Henry R. Rollin (*25th Anniversary*) 431–433
- Autism.**
Anorexia nervosa and infantile autism. D. J. Rothery and G. M. F. Garden (C) 714
Lifelong eccentricity and social isolation: I. Psychiatric, social and forensic aspects. Digby Tantam 777–782
- Autobiography.**
Autobiography, 1912. Henry Maudsley 736–740
Henry Maudsley: introduction to autobiography. T. H. Turner 734–735
- Automatism.** Mental automatism. Henry Rollin (*A hundred years ago*) 270
- Autoscopy.** Autoscopy, mental handicap and epilepsy: a case report. Richard A. Collacott and Saumitra Deb (BR) 825–827
- Behaviour.**
Behaviourally disturbed HIV patients. Stephen Wood *et al* (C) 128–129
Psychotropic medication and antisocial behaviour in a mental handicap hospital. Derek Summerfield (C) 417
- Behaviour therapy.**
See also Exposure therapy and Habit reversal treatment
Dysmorphophobic avoidance. Christopher S. Thomas (C) 567. Isaac Marks (C) 568
Obsessive-compulsive rituals. Richard Katz *et al* (C) 845
Principles of Behaviour Modification: A. Bandura. (Paul Lelliott, *Books reconsidered*) 420–421
- Bereavement.** Bereavement and the management of grief. D. A. Alexander (*Reading about*) 860–864
- Biological treatment.** Response to biological treatment. G. M. J. Van Kempen (C) 405
- Blindness.**
Anorexia nervosa. Charles J. F. Kemperman (C) 847
Anorexia nervosa in a woman totally blind since birth. S. W. Touyz *et al* (BR) 248–250
- Body weight.** Psychosis, body weight and plasma sodium. W. V. R. Vieweg and L. S. Godleski (C) 122–123. Nicholas J. Delva and John L. Crammer (C) 123
- Book reconsidered.**
Human Sexual Inadequacy: William H. Masters and Virginia E. Johnson. (R. P. Snaith) 716–718
Principles of Behaviour Modification: A. Bandura. (Paul Lelliott) 420–421
- Brain.**
see also Amygdala, Corpus callosum, Striatonigral degeneration and Ventricles
Brain imaging and treatment response in spasmodic torticollis. J. A. O. Besson *et al* (BR) 399–402
'Early-onset schizophrenia' after teenage head injury: a case report with magnetic resonance imaging. Eardbhard O'Callaghan *et al* (BR) 394–396
Neuroanatomical studies of major affective disorders: a review and suggestions for further research. Dilip V. Jeste *et al* (*Review article*) 444–459
Obstetric complications and schizophrenia. Robert Gordon (C) 850
Prevalence of familiarity, obstetric complications and structural brain damage in schizophrenic patients. V. L. Nimgaonkar *et al* 191–197

- Prospective ECT in a delusional depressed patient with a frontal meningioma. L. B. Greenberg (BR) 105-107
- Towards a neuropsychology of schizophrenia. Christopher D. Frith and D. John Done (*Review article*) 437-443
- Britain.** Electricity: a history of its use in the treatment of mental illness in Britain during the second half of the 19th century. A. W. Beveridge and E. B. Renvoize 157-162
- British Journal of Psychiatry.** Twenty-five years of the British Journal of Psychiatry. J. L. Crammer (*25th Anniversary*) 434-436
- Bupropion.** Diethylpropion, bupropion and psychoses. Robert N. Golden (C) 265-266
- Calcium.**
- Calcium and extrapyramidal symptoms. Abdul Patel *et al* (C) 849
 - Calcium therapy for neuroleptic-induced extrapyramidal symptoms. J. Jancar (C) 256-257
- Capgras' syndrome.**
- Capgras' syndrome and the amygdala. Andrew W. Procter (C) 566-567
 - Capgras' syndrome heralding the development of dementia. Bron Lipkin (BR) 117-118
 - Capgras' syndrome and organic disease. Hari D. Maharajh and Russell D. Lutchman (C) 715
 - Capgras' syndrome or prosopagnosia? Andrew Gibbs and David Andrewes (C) 853
 - The delusion of inanimate doubles: implications for understanding the Capgras phenomenon. D. N. Anderson (BR) 694-699
- Carbamazepine.**
- Carbamazepine and ECT. M. A. Roberts and J. R. Attah (C) 418
 - Carbamazepine vs lithium in the treatment and prophylaxis of mania. R. M. Luszkat *et al* 198-204
- Carbon dioxide.** Ambulant monitoring of transcutaneous carbon dioxide. George Hibbert and David Pilsbury 76-80
- Cardiac arrest.** Secondary affective disorder in survivor of cardiac arrest: a case report. Anil Kumar and Meena Agarwal (BR) 836-839
- Caregivers.**
- Factors affecting the emotional wellbeing of the caregivers of dementia sufferers. Robin G. Morris *et al* (*Review article*) 147-156
 - Females and caring. Miranda Conway and Tony Cantwell (C) 710
- Carpal tunnel syndrome.** Lithium-induced carpal tunnel syndrome. Martin P. Deahl (BR) 250-251. Robin J. Jacoby and Kenneth A. Wood (C) 709
- Case register.** Psychiatric clinics in different settings: a case register study. C. Bruce Low and Ian Pullen (BR) 243-245
- Castration.** Is castration too "barbarous" for rapists? Michael Salzmann (C) 270. Clive J. Meux (C) 710
- Catatonia.** Use of ECT in hysterical catatonia: a case report and discussion. P. D. Dabholkar (BR) 246-247
- Childhood.**
- Anorexia nervosa. Noel McClune and Geraldine Walford (C) 847
 - Anorexia nervosa and infantile autism. D. J. Rothery (C) 714
 - Child and family factors associated with referral to child psychiatrists. M. E. Garralda and D. Bailey 81-89
 - Childhood and adolescent depression. II: Research in clinical populations. Adrian Angold (*Review article*) 476-492
 - Depression in adolescents and young adults. Hans R. Huessy (C) 125-126
 - Father kills mother: issues and problems encountered by a child psychiatric team. Dora Black and Tony Kaplan 624-630
 - Inappropriate placement of a patient with childhood hypomania in a mental handicap hospital for 51 years. S. N. Fernando and Julie Jones (C) 572-573
 - Oedipus' parents were child abusers. David C. Taylor (*Point of view*) 561-563
 - Pre-pubertal depressive stupor: a case report. J. C. Powell *et al* (BR) 689-692
 - Successive generations of child maltreatment: the children. J. E. Oliver 543-553
- Clinics.** Psychiatric clinics in different settings: a case register study. C. Bruce Low and Ian Pullen (BR) 243-245
- Clomipramine.** Obsessive-compulsive rituals. Richard Katz *et al* (C) 845
- Clonidine.**
- Blunted response of growth hormone to clonidine and apomorphine in endogenous depression. M. Ansseau *et al* 65-71
 - Opiate withdrawal and naltrexone induction in 48-72 hours with minimal drop-out, using a modification of the naltrexone-clonidine technique. Colin Brewer *et al* 340-343
- Clustering.** The identification of clustering in parasuicide. Nigel Smeeton and Greg Wilkinson 218-221
- Cocaine.** 50 years of cocaine addiction. R. Brown and R. Middlefell (C) 713
- Coleridge, Samuel Taylor.** The opium habit. Henry Rollin (*A hundred years ago*) 131
- Community care.**
- See also* **Caregivers, Day patients and Primary care**
 - A study of mild dementia in the community using a wide range of diagnostic criteria. B. J. Mowry and P. W. Burvill 328-334
 - Further observations on the practice of community care in Salford. K. Woolf and D. P. Goldberg 30-37
 - Monitoring drug use in a community. Julie Parker and Martyn Gay (C) 572
 - Progress towards DHSS targets for community care. Graham Thornicroft (C) 257-258
 - The community management of schizophrenia: a controlled trial of a behavioural intervention with families to reduce relapse. Nicholas Tarrier *et al* 532-542
- Comprehension.** Comprehension and motivation in responses to a psychiatric screening instrument. Frank Kortmann and Sineke Ten Horn 95-101
- Computerised tomography.** Choice of comparison group

- and findings of computerised tomography in schizophrenia. Geoffrey N. Smith *et al* 667-674
- Convulsions** *see* ECT.
- Corpus callosum.** Koro secondary to a tumour of the corpus callosum. Rimona Durst and Paola Rosca-Rebaudengo (BR) 251-254. H. V. Kumar and Eamonn Moloney (C) 711-712.
- Corrigenda.**
 July 1988, **153**, 72-75. Shur, E. *et al* should read Alloway, R. *et al* 854
 May 1988, **152**, 730. Line 3, 'David Walker' should read 'David Alexander' 270
- Cortisol.** Plasma cortisol and depression in pathological gamblers. Luis F. Ramirez *et al* (BR) 684-686
- Day patients.** Scottish survey of chronically ill day patients. 3-year follow-up. R. G. McCreddie *et al* 174-177
- De Clérambault's syndrome.**
 De Clérambault's syndrome in unipolar depression. Luis M. Iruela and María A. Marcos (C) 417-418
 Does erotomania exist between women? Joyce L. Dunlop (BR) 830-833
- Degeneration.** The neuropathic diathesis or the diathesis of the degenerate (G. T. Revington). Henry Rollin (*A hundred years ago*) 854
- Delusions.**
 A century of delusions in South West Scotland. A. D. T. Robinson 163-167
 Dangerous delusions: the 'Hollywood phenomenon'. A. R. Tomson and W. M. Donovan (C) 404-405
 Delusional AIDS and depression. Carlo A. Altamura *et al* (C) 267-269
 Delusional depression in nineteenth century Scotland. M. J. S. Morton (C) 710-711
 The delusion of inanimate doubles: implications for understanding the Capgras phenomenon. D. N. Anderson (BR) 694-699
- Dementia.**
 A study of mild dementia in the community using a wide range of diagnostic criteria. B. J. Mowry and P. W. Burvill 328-334
 Capgras' syndrome heralding the development of dementia. Bron Lipkin (BR) 117-118. Andrew Gibbs and David Andrewes (C) 853
 Clinical dementia rating. Leonard Berg (C) 267, (Tab. 1) 268
 Dementia in subjects over 65 years of age in the Republic of San Marino. R. D'Alessandro *et al* 182-186
 Factors affecting the emotional wellbeing of the caregivers of dementia sufferers. Robin G. Morris *et al* (*Review article*) 147-156
- Dementia praecox.**
see also Schizophrenia
 Dementia praecox revisited: age disorientation, mental status and ventricular enlargement. Terry E. Goldberg *et al* 187-190
- Depersonalisation.**
 Depersonalisation and self-perception. Brian O'Shea (C) 709. C. S. Mellor (C) 845-846
- The pathogenesis of depersonalisation. Anthony Ryle (C) 405. Samuel I. Cohen (C) 406
- Depression.**
Aetiology. Depression and the physical environment. John Birtchnell *et al* 56-64
Classification. Chronic depression. Jan Scott (*Review article*) 287-297
Complications.
 De Clérambault's syndrome in unipolar depression. Luis M. Iruela and María A. Marcos (C) 417-418
 Delusional AIDS and depression. Carlo A. Altamura *et al* (C) 267-269
 Family history and five-year suicide risk. William A. Scheftner *et al* 805-809
 Intropunitiveness and parasuicide: prediction of interview response. J. Goldberg and I. Sakinofsky 801-804
 Palinopsia posing as a psychotic depression. Todd J. Gates *et al* (BR) 391-393
 Plasma cortisol and depression in pathological gamblers. Luis F. Ramirez *et al* 684-686
 Pre-pubertal depressive stupor: a case report. J. C. Powell *et al* (BR) 689-692
 Prospective ECT in a delusional depressed patient with a frontal meningioma. L. B. Greenberg (BR) 105-107
 Shoplifting as a symptom of stress in families of mentally handicapped persons: a case report. David Fishbain (C) 713
- Diagnosis.** Depression in adolescents and young adults. Hans R. Huesy (C) 125-126
- History.**
 Delusional depression in nineteenth century Scotland. M. J. S. Morton (C) 710-711
 Melancholia and depression during the 19th century: a conceptual history. G. E. Berrios (*Needham Lecture 1987*) 298-304
- Occurrence.**
 Childhood and adolescent depression. II: Research in clinical populations. Adrian Angold (*Review article*) 476-492
 Depression and family relationships: a study of young, married women on a London housing estate. John Birtchnell 758-769
- Outcome.**
 The long-term outcome of depressive illness. L. G. Kiloh *et al* 752-757
 The long-term outcome of Maudsley depressives. Alan S. Lee and Robin M. Murray 741-751
- Physiopathology.**
 Blunted response of growth hormone to clonidine and apomorphine in endogenous depression. M. Anseau *et al* 65-71
 Melatonin secretion in depression. Anita Cavallo (C) 707-708. C. Thompson (C) 708
- Therapy.**
 A short sharp course of steroids for the patient with depression. C. A. H. Watts (C) 131
 Combined mianserin and tranylcypromine. Peter M. Graham (C) 415-416

- Response to biological treatment. G. M. J. Van Kempen (C) 405
- The concept of disease in psychiatry. O. Vinař (C) 415
- Therapy-resistant depression. Gerald Matthews and Brian O'Shea (C) 258. B. E. Leonard (C) 258–259. Ernest P. Worrall (C) 407–408. Leo P. W. Chiu (C) 408–409. B. E. Leonard (C) 409
- Vitamin B12 in psychotic depression. Anthony J. Levitt and Russell T. Joffe (C) 266–267
- DHSS.** Progress towards DHSS targets for community care. Graham Thornicroft (C) 257–258
- Diabetes mellitus.** Psychiatric morbidity and social problems in patients with insulin-dependent diabetes mellitus. Greg Wilkinson *et al* 38–43
- Diagnosis.**
The assessment of psychological-mindedness in the diagnostic interview. Nina E. C. Coltart (*Point of view*) 819–820
Third ventricle cysts: a difficult diagnosis. R. L. Ramsey *et al* (C) 851
- Diathesis.** The neuropathic diathesis or the diathesis of the degenerate (G. T. Revington). Henry Rollin (*A hundred years ago*) 854
- Diazepam.** Opiate withdrawal and naltrexone induction in 48–72 hours with minimal drop-out, using a modification of the naltrexone-clonidine technique. Colin Brewer *et al* 340–343
- Diethylpropion.** Diethylpropion, bupropion and psychoses. Robert N. Golden (C) 265–266
- Disease.**
Molecular genetics and human disease. Anthony J. Pelosi (C) 570–571
The concept of disease in psychiatry. O. Vinař (C) 415
- Down's syndrome.**
Down's syndrome with mania. Iqbal Singh (C) 404
Hypothyroidism in Down's syndrome. Chinta Mani (BR) 102–104
- Dressing disorder.** Dressing disorder. Jesús J. de la Gándara Martín (C) 418–419
- Drug abuse.** Monitoring drug use in a community. Julie Parker and Martyn Gay (C) 572
- Drugs, general.**
see Antidepressants, Antipsychotics, Gamma endorphins, Neuroleptics, Opiates, Psychotropics and Steroids
- Drugs, specific.**
Abuse *see* Cocaine, Heroin and Opium
Deficiency *see* Hexosaminidase A. and Vitamin B12
Diagnosis *see* Carbon dioxide, Dexamethasone (DST) and Sodium pentothal
Non-therapy *see* Apomorphine, Insulin, Melatonin and Sodium
Poisoning *see* Thallium
Therapy *see* Calcium, Carbamazepine, Clomipramine, Clonidine, Diazepam, Fenfluramine, Fluphenazine, Flurothyl (Indoklon), Haloperidol, Naloxone and Naltrexone
Toxicity *see* Bupropion, Diethylpropion, Fluvoxamine, Mianserin, Levodopa, Lithium, Phenothiazine, Quinine and Tranylcypromine
- DSM-III.** Phenomenology of organic and functional psychoses and the overlap between them. Eve C. Johnstone *et al* 770–776
- DST (dexamethasone suppression test).**
Plasma cortisol and depression in pathological gamblers. Luis F. Ramirez *et al* (BR) 684–686
Pre-pubertal depressive stupor: a case report. J. C. Powell *et al* (BR) 689–692
- Dydrogesterone.** Premenstrual syndrome: a double-blind cross-over study of treatment with dydrogesterone and placebo. Gwyneth A. Sampson *et al* 232–235
- Dysmorphophobia.** Dysmorphophobic avoidance. Christopher S. Thomas (C) 567. Isaac Marks (C) 568
- Eale's disease.** Mania in a case of Eale's disease. R. S. Pandey *et al* (C) 129–130
- Ear disease.**
Auditory hallucinations due to ear disease. Graham Lennox (C) 713–714
Unilateral auditory hallucinations. A. G. Gordon (C) 263–264
- Eccentricity**
Lifelong eccentricity and social isolation
I. Psychiatric, social and forensic aspects. Digby Tantam 777–782
II. Asperger's syndrome or schizoid personality disorder? Digby Tantam 783–791
- ECT.**
Carbamazepine and ECT. M. A. Roberts and J. R. Attah (C) 418
Comparison of electrical measurements on constant voltage and constant current ECT machines. R. McClelland and G. McAllister (C) 126–127. R. Railton (C) 127
Failure to convulse with ECT. L. Rose (C) 125. Baruch Shapira *et al* (C) 413–414
Inadequate seizures with electroconvulsive therapy. Erica Jones (C) 264–265. R. J. Russell (C) 850
Prospective ECT in a delusional depressed patient with a frontal meningioma. L. B. Greenberg (BR) 105–107
The truth about ECT. John Crammer (C) 709–710
Use of ECT in hysterical catatonia: a case report and discussion. P. D. Dabholkar (BR) 246–247
- Edinburgh.**
Psychiatric clinics in different settings: a case register study. C. Bruce Low and Ian Pullen (BR) 243–245
Repetition of parasuicide: an epidemiological and clinical study. Norman Kreitman and Patricia Casey 792–800
The identification of clustering in parasuicide. Nigel Smeeton and Greg Wilkinson 218–221
- Elderly.**
Dementia in subjects over 65 years of age in the Republic of San Marino. R. D'Alessandro *et al* 182–186
Elderly offenders. Sean Lynch (C) 122. Pamela Taylor and Janet Parrott (C) 256
Psychogeriatric liaison referrals. D. N. Anderson *et al* (C) 413
Psychogeriatrics. Bryce Pitt (*Reading about*) 855–859
Psychotherapy of the elderly. A. Jawad Sheikh (C) 574–575

Electricity.

Electricity: a history of its use in the treatment of mental illness in Britain during the second half of the 19th century. A. W. Beveridge and E. B. Renvoize 157-162

The truth about ECT. John Crammer (C) 709-710

Emotional disturbances. Emotional disturbances in endocrine patients. Gill McGauley (C) 705-706. M. Bleuler (C) 706. A. Lobo *et al* (C) 706-707

Endocrine disorders. Emotional disturbances in endocrine patients. Gill McGauley (C) 705-706. M. Bleuler (C) 706. A. Lobo *et al* (C) 706-707

Environment.

Depression and the physical environment. John Birtchnell *et al* 56-64

The environment. Hugh Freeman (*Reading about*) 579-582

Epilepsy.

see also **Temporal lobe epilepsy**

Autoscopy, mental handicap and epilepsy: a case report. Richard A. Collacott and Saumitra Deb (BR) 825-827

Hypomania following increased epileptic activity. Alan Byrne (C) 573-574

Erotomania *see* **De Clérambault's syndrome.**

Ethiopia.

Anorexia nervosa following torture in a young African woman. Thomas A. Fahy *et al* (BR) 385-387

Comprehension and motivation in responses to a psychiatric screening instrument. Frank Kortmann and Sineke Ten Horn 95-101

Ethnic density. Ethnic density is unrelated to incidence of schizophrenia. Raymond Cochrane and Sukhwant S. Bal 363-366

Euphoria. Steroid-induced euphoria. Jeremy Seymour (C) 577

Exposure therapy.

Drugs and psychological treatments for agoraphobia/panic and obsessive-compulsive disorders: a review. Isaac Marks and Geraldine O'Sullivan 650-658

Paradoxical intention and anti-exposure in a non-compliant obsessive-compulsive ritualiser. Gwen Adshead *et al* (BR) 821-823

Expressed emotion.

Psychophysiology and expressed emotion. Philip Cramer (C) 571. Nicholas Tarrier (C) 571

The community management of schizophrenia: a controlled trial of a behavioural intervention with families to reduce relapse. Nicholas Tarrier *et al* 532-542

Extrapyramidal symptoms.

Calcium and extrapyramidal symptoms. Abdul Patel *et al* (C) 849

Calcium therapy for neuroleptic-induced extrapyramidal symptoms. J. Jancar (C) 256-257

Eye injuries. Self-inflicted eye injuries. A. Garcia-Estrada (C) 266

Families.

Child and family factors associated with referral to child psychiatrists. M. E. Garralda and D. Bailey 81-89

Depression and family relationships: a study of young married women on a London housing estate. John Birtchnell 758-769

Family history and five-year suicide risk. William A. Scheftner *et al* 805-809

A matched-control follow-up and family study of puerperal psychoses. C. Platz and R. E. Kendell 90-94

Successive generations of child maltreatment: the children. J. E. Oliver 543-553

Fatigue. Fatigue and fatigability. H. G. Kennedy (*Annotation*) 1-5

Fear. The fear questionnaire: some data on validity, reliability and layout. Florence J. van Zuuren 659-662

Fenfluramine. A clinical trial of the efficacy and acceptability of D-fenfluramine in the treatment of neuroleptic-induced obesity. E. Goodall *et al* 208-213

Field, Mr Justice. Medical witnesses. Henry Rollin (*A hundred years ago*) 715

Fluphenazine. Plasma levels of fluphenazine decanoate: effects of site of injection, massage and muscle activity. Som D. Soni *et al* (BR) 382-384

Flurothyl (Indoklon). Failure to convulse with electroconvulsive therapy. L. Rose (C) 125

Fluvoxamine. Fluvoxamine and hepatic function. B. H. Green (C) 130-131

Forensic psychiatry.

See also **Eccentricity, Litigation, Medical witnesses, Offenders and Violence**

Forensic psychiatry. Pamela J. Taylor (*Reading about*) 271-278

Gamblers. Plasma cortisol and depression in pathological gamblers. Luis F. Ramirez *et al* 684-686

Gamma endorphins. Criteria for evaluating improvement in schizophrenia in psychopharmacological research (with special reference to gamma endorphin fragments). Rahul Manchandra *et al* 354-358

Gangliosidosis. Post-partum psychosis in adult GM₂ gangliosidosis: a case history. P. Lichtenberg *et al* (BR) 387-389

General practice.

General practice patients on long-term psychotropic drugs. Peter Donnelly (C) 262. Jose Catalan and Dennis Gath (C) 262-263

Working with general practitioners. John Horder (*Aberdeen lecture, 1987*) 513-520

Genes.

Major genes for major affective disorders? Peter McGuffin (*Annotation*) 591-596

Molecular genetics and human disease. Anthony J. Pelosi (C) 570-571

Sex chromosomes and psychosis: the case for a pseudoautosomal locus. T. J. Crow (*Point of view*) 675-683

Geography. Geographical error. I. G. Pryce (C) 707

Globus.

Globus hystericus. R. P. Snaith (C) 846

Is globus hystericus? Janet A. Wilson *et al* 335-339

Growth hormone. Blunted response of growth hormone to clonidine and apomorphine in endogenous depression. M. Ansseau *et al* 65-71

Habit reversal treatment. Writer's cramp: a controlled trial of habit reversal treatment. Angelika Wieck *et al* (BR) 111-115

Hallucinations.

Anorexia nervosa. Charles J. F. Kemperman (C) 847
Auditory hallucinations due to ear disease. Graham Lennox (C) 713-714

Autoscopy, mental handicap and epilepsy: a case report. Richard A. Collacott and Saumitra Deb (BR) 825-827

Unilateral auditory hallucinations. A. G. Gordon (C) 263-264. Andrew McBride and Lawrence Hamilton-Kirkwood (C) 264

Haloperidol. Lithium combined with haloperidol in schizophrenic patients. Yaacov Lerner *et al* 359-362

Head injury.

Delayed emergence of obsessive-compulsive neurosis following head injury: case report and review of its theoretical implications. Lynne M. Drummond and Shaun Gravestock (BR) 839-842

'Early-onset schizophrenia' after teenage head injury: a case report with magnetic resonance imaging. Eardbhard O'Callaghan *et al* (BR) 394-396

Psychosocial sequelae of head injury - anatomy of a relationship. R. J. McClelland (*Roche lecture, 1986*). (*Annotation*) 141-146

Heart *see* **Cardiac arrest**

Heroin.

Naloxone in heroin withdrawal. Colin Brewer (C) 120
Opiate withdrawal and naltrexone induction in 48-72 hours with minimal drop-out, using a modification of the naltrexone-clonidine technique. Colin Brewer *et al* 340-343

Hexosaminidase A. Post-partum psychosis in adult GM₂ gangliosidosis: a case history. P. Lichtenberg *et al* (BR) 387-389

HIV (human immunodeficiency virus.)

See also **AIDS**

Behaviourally disturbed HIV patients. Stephen Wood *et al* (C) 128-129

Psychosis associated with HIV infection. S. Halstead *et al* 618-623

Screening for HIV. John Dunn (C) 568-569. D. R. Davies (C) 569-570. Therese O'Neill (C) 703. J. B. Connelly (C) 703-704. D. R. Davies (C) 704-705

'Hollywood phenomenon'. Dangerous delusions: the 'Hollywood phenomenon'. A. R. Tomison and W. M. Donovan (C) 404-405

Hormone *see* **Growth hormone** 65-71

Human Sexual Inadequacy. William H. Masters and Virginia E. Johnson (R. P. Snaith, *Books reconsidered*) 716-718

Hypersexuality. Serial cognitive profiles in levodopa-induced hypersexuality. N. S. Harvey (BR) 833-836

Hyperventilation.

Demonstration and treatment of hyperventilation caus-

ing asthma. George Hibbert and David Pilsbury (BR) 687-688

Hyperventilation in panic attacks. George Hibbert and David Pilsbury 76-80

The pathogenesis of depersonalisation. Anthony Ryle (C) 405. Samuel I. Cohen (C) 406

Hypomania.

Hypomania following increased epileptic activity. Alan Byrne (C) 573-574

Inappropriate placement of a patient with childhood hypomania in a mental handicap hospital for 51 years. S. N. Fernando and Julie Jones (C) 572-573

Secondary affective disorder in survivor of cardiac arrest: a case report. Anil Kumar and Meena Agarwal (BR) 836-839

Hypothyroidism.

Hypothyroidism in Down's syndrome. Chinta Mani (BR) 102-104

Lithium-induced carpal tunnel syndrome. M. P. Deahl (BR) 250-251. R. J. Jacoby and K. A. Wood (C) 709

Hysteria.

Globus hystericus. R. P. Snaith (C) 846

Is globus hystericus? Janet A. Wilson *et al* 335-339

Use of ECT in hysterical catatonia: a case report and discussion. P. D. Dabholkar (BR) 246-247

Indoklon *see* **Flurothyl**

Instruments.

see also **Inventories, Questionnaires and Ratings**

Comprehension and motivation. Comprehension and motivation in responses to a psychiatric screening instrument. Frank Kortmann and Sineke Ten Horn 95-101

Depression screening. Depression and the physical environment. John Birtchnell *et al* 56-64

Parental bonding.

Depression and family relationships: a study of young, married women on a London housing estate. John Birtchnell 758-769

The relationship between schizophrenic patients' perceptions of their parents and the course of their illness. Richard Warner and Monte Atkinson 344-353

Insulin. Psychiatric morbidity and social problems in patients with insulin-dependent diabetes mellitus. Greg Wilkinson *et al* 38-43

Intelligence. Estimation of premorbid intelligence in organic conditions. J. R. Crawford *et al* 178-181

Intropunitiveness. Intropunitiveness and parasuicide: prediction of interview response. J. Goldberg and I. Sakinofsky 801-804

Inventories.

See also **Instruments, Questionnaires and Ratings**

Beck Depression and Minnesota Multiphasic Personality. Plasma cortisol and depression in pathological gamblers. Luis F. Ramirez *et al* 684-686

Eysenck Personality. Is globus hystericus? Janet A. Wilson *et al* 335-339

Italy. Schizophrenia and multiple sclerosis: distribution in Italy. Donald I. Templer *et al* (BR) 389-390

Journal of Mental Science. J. L. Crammer 434

Koro. Koro secondary to a tumour of the corpus callosum. Rimona Durst and Paola Rosca-Rebaudengo (BR) 251–254. H. V. Kumar and Eamonn Moloney (C) 711–712

Lectures.

Assessing the epidemiology of suicide and parasuicide. R. D. T. Farmer (*Autumn Quarterly Meeting, 1985*) 16–20

Changing disciplines in psychiatry. Michael Shepherd (*Maudsley lecture, 1987*) 493–504

Melancholia and depression during the 19th century: a conceptual history. G. E. Berrios (*Needham lecture, 1987*) 298–304

On moral judgements and personality disorders: the myth of psychopathic personality revisited. Ronald Blackburn (*Psychological Society, 1986*) 505–515

Psychosocial sequelae of head injury – anatomy of a relationship. R. J. McClelland (*Roche lecture, 1986*) (*Annotation*) 141–146

Working with general practitioners. John Horder (*Aberdeen, 1987*) 513–520

Levodopa. Serial cognitive profiles in levodopa-induced hypersexuality. N. S. Harvey (BR) 833–836

Liaison psychiatry. Psychogeriatric liaison referrals. D. N. Anderson *et al* (C) 413

Life events. Life events and schizophrenia in Nigeria. Oye Gureje and A. Adewunmi 367–375

Lithium.

Carbamazepine vs lithium in the treatment and prophylaxis of mania. R. M. Lusznat *et al* 198–204

Lithium carbonate – a competitive aldosterone antagonist? Paul M. Stewart *et al* 205–207

Lithium combined with haloperidol in schizophrenic patients. Yaacov Lerner *et al* 359–362

Lithium-induced carpal tunnel syndrome. Martin P. Deahl (BR) 250–251. Robin J. Jacoby and Kenneth A. Wood (C) 709

Mania induced by lithium augmentation: a case report. R. Yuvarajan and N. M. Yousufzai (BR) 828–830

Psoriasis and lithium. G. E. Vincenti (C) 261. M. S. Humphreys and J. L. Waddell (C) 261–262

Therapy-resistant depression. Ernest P. Worrall (C) 407–408. Leo P. W. Chiu (C) 408–409. B. E. Leonard (C) 409

Litigation. Psychiatric and legal aspects of persistent litigation. M. W. D. Rowlands 317–323

Liver. Fluvoxamine and hepatic function. B. H. Green (C) 130–131

London.

Supplements 1–3, Volume 152

Abbreviations: S1, S2 and S3 = supplements 1, 2 and 3 respectively.

PART I. SUBJECTS

Amitriptyline

Fluoxetine vs amitriptyline in the treatment of depressed out-patients. G. Laakmann *et al* (S3) 64–68

Anorexia nervosa

Body image in anorexia nervosa. Peter D. Slade (S2) 20–22

Body size estimation in anorexia nervosa. A. M. Whitehouse *et al* (S2) 23–26

Antidepressants

Cardiovascular effects of antidepressant medications. James P. Halper and J. John Mann (S3) 87–98

Pharmacological profile of fluoxetine and other antidepressants on aspects of skilled performance and car handling ability. Ian Hindmarch (S3) 99–104

Progress in antidepressant therapy. Hugh Freeman (ed.) (S3) 7–112

Behaviour

Involvement of serotonin in psychiatric disorders and behaviour. Juan J. López-Ibor, Jr (S3) 26–39

Body image

Body image in anorexia nervosa. Peter D. Slade (S2) 20–22

Body image disturbance in bulimia nervosa. P. J. Cooper and M. J. Taylor (S2) 32–36

Body image problems in cancer patients. P. Hopwood and G. P. Maguire (S2) 47–50

Body image and the temporal lobes. M. R. Trimble (S2) 12–14

Body shape dissatisfaction in schoolchildren. P. H. Salmons *et al* (S2) 27–31

Body size estimation in anorexia nervosa. A. M. Whitehouse *et al* (S2) 23–26

Delusional infestation. T. M. Reilly (S2) 44–46

Depersonalisation and self perception. Clive S. Mellor (S2) 15–19

Dysmorphophobia – a centenary discussion. S. A. Birtchnell (S2) 41–43

Monosymptomatic hypochondriacal psychosis. Alistair Munro (S2) 32–36

Neurobiology of the body schema. W. J. K. Cumming (S2) 7–11

Psychopathology of body image. K. J. B. Rix and R. P. Snaith (eds) (S2) 7–55

Towards the unification of body image disorders. Andrew C. P. Sims (S2) 51–56

Bulimia nervosa

Body image disturbance in bulimia nervosa. P. J. Cooper and M. J. Taylor (S2) 32–36

Cancer

Body image problems in cancer patients. P. Hopwood and G. P. Maguire (S2) 47–50

Car driving

Pharmacological profile of fluoxetine and other antidepressants on aspects of skilled performance and car handling ability. Ian Hindmarch (S3) 99–104

Cardiovascular system

Cardiovascular effects of antidepressant medications. James P. Halper and J. John Mann (S3) 87–98

Children

Body shape dissatisfaction in schoolchildren. P. H. Salmons *et al* (S2) 27–31

Classification

Psychiatric classification in an international perspective. N. Sartorius *et al* (eds) (S1) 3–52

Developing a psychiatric multiaxial schema for ICD–10. J. E. Mezzich (S1) 38–43

European perspective on the classification of depression. P. Pichot (S3) 11–15

Field trials of the 1987 draft of Chapter V (F) of ICD–10. Jack D. Burke, Jr (S1) 33–37

International perspectives of psychiatric classification. N. Sartorius (S1) 9–14

Methodological issues in psychiatric classification. A. Jablensky (S1) 15–20

Structure and presentation of contemporary psychiatric classifications with special reference to ICD–9 and 10. J. E. Cooper (S1) 21–28

Tenth revision of the International Classification of Diseases – in progress. G. R. Brämer (S1) 29–32

Clinical descriptions and diagnostic guidelines

Appendix I: Extract from *Clinical descriptions and diagnostic guidelines* to Chapter V (F) of ICD–10 *Mental behavioural and developmental disorders*. List of categories (April 1988 draft) (S1) 44–49

Appendix II: Extract from *Clinical descriptions and diagnostic guidelines* (April 1988 draft) (S1) 50–51

Field trials of the 1987 draft of Chapter V (F) of ICD–10. Jack D. Burke, Jr. (S1) 33–37

Delusions

Delusional infestation. T. M. Reilly (S2) 44–46

Depersonalisation

Depersonalisation and self perception. Clive S. Mellor (S2) 15–19

Depression

Benefits and risks of 5-HT uptake inhibitors in depression. Stuart A. Montgomery (S3) 7–10

European perspective on the classification of depression. P. Pichot (S3) 11–15

Evidence for 20 mg a day of fluoxetine as the optimal dose in the treatment of depression. A. C. Altamura *et al* (S3) 109–112

Fluoxetine vs amitriptyline in the treatment of depressed out-patients. G. Laakmann *et al* (S3) 64–68

Overview of fluoxetine in geriatric depression. John P. Feighner *et al* (S3) 105–108

Population and family studies in depression and mania. J. Mendlewicz (S3) 16–25

Progress in antidepressant therapy. Hugh Freeman (ed.) (S3) 7–112

Prophylactic efficacy of fluoxetine in unipolar depression. S. A. Montgomery *et al* (S3) 69–76

Dysmorphophobia

Dysmorphophobia – a centenary discussion. S. A. Birtch-nell (S2) 41–43

Fluoxetine

Clinical pharmacology and pharmacokinetics of fluoxetine: a review. R. F. Bergstrom *et al* (S3) 47–50

Evidence for 20 mg a day of fluoxetine as the optimal dose in the treatment of depression. A. C. Altamura *et al* (S3) 109–112

Fluoxetine: efficacy against placebo and by dose – an overview. John Hall (S3) 59–63

Fluoxetine, a highly selective serotonin reuptake inhibitor: a review of preclinical studies. Michael J. Schmidt *et al* (S3) 40–46

Fluoxetine efficacy vs comparative drugs: an overview. Malcolm Lader (S3) 51–58

Fluoxetine vs amitriptyline in the treatment of depressed out-patients. G. Laakmann *et al* (S3) 64–68

Overview of fluoxetine in geriatric depression. John P. Feighner *et al* (S3) 105–108

Pharmacological profile of fluoxetine and other antidepressants on aspects of skilled performance and car handling ability. Ian Hindmarch (S3) 99–104

Prophylactic efficacy of fluoxetine in unipolar depression. S. A. Montgomery *et al* (S3) 69–76

Safety of fluoxetine – an update. Glenn L. Cooper (S3) 77–86

Geriatrics

Overview of fluoxetine in geriatric depression. John P. Feighner *et al* (S3) 105–108

ICD-10

Developing a psychiatric multi-axial schema for ICD-10. J. E. Mezzich (S1) 38–43

Field trials of the 1987 draft of Chapter V (F) of ICD-10. Jack D. Burke, Jr (S1) 33–37

ICD-9 and 10

Structure and presentation of contemporary psychiatric classifications with special reference to ICD-9 and 10. J. E. Cooper (S1) 21–28

Tenth revision of the International Classification of Diseases – in progress. G. R. Brämer (S1) 29–32

Inhibitors

Fluoxetine, a highly selective serotonin reuptake inhibitor: a review of preclinical studies. Michael J. Schmidt *et al* (S3) 40–46

Benefits and risks of 5-HT uptake inhibitors in depression. Stuart A. Montgomery (S3) 7–10

Mania

Population and family studies in depression and mania. J. Mendlewicz (S3) 16–25

Performance

Pharmacological profile of fluoxetine and other antidepressants on aspects of skilled performance and car handling ability. Ian Hindmarch (S3) 99–104

Psychiatric classification in an international perspective. N. Sartorius *et al* (eds) (S1) 3–52

Psychiatric disorders

Involvement of serotonin in psychiatric disorders and behaviour. Juan J. López-Ibor (S3) 26–39

Psychopathology

Psychopathology of body image. K. J. B. Rix and R. P. Snaith (eds) (S2) 7–55

Psychoses

Monosymptomatic hypochondriacal psychosis. Alistair Munro (S2) 32–36

Self perception

Depersonalisation and self perception. Clive S. Mellor (S2) 15–19

Serotonin

Fluoxetine, a highly selective serotonin reuptake inhibitor: a review of preclinical studies. Michael J. Schmidt *et al* (S3) 40–46

Involvement of serotonin in psychiatric disorders and behaviour. Juan J. López-Ibor (S3) 26–39

Benefits and risks of 5-HT uptake inhibitors in depression. Stuart A. Montgomery (S3) 7–10

Temporal lobes

Body image and the temporal lobes. M. R. Trimble (S2) 12–14
